

Remote Desktop Connection Client For Mac From Microsoft, Versions 2

The screenshot shows a web browser window with the URL www.microsoft.com/en-us/download/details.aspx?id=18140. The page is titled "Download Center" and features the Microsoft logo. Below the logo, there are navigation links for "Shop", "Products", "Categories", "Support", and "Security". The main content area displays the product name "Microsoft Remote Desktop Connection Client for Mac 2.1.1" with a language selector set to "English" and a prominent red "Download" button. A descriptive paragraph states: "Remote Desktop Connection Client for Mac 2.1.1 lets you connect from your Macintosh computer to a Windows-based computer and then work with applications and files on the Windows-based computer." To the right, there is a section for "Free PC updates" listing security patches, software updates, service packs, and hardware drivers, with a "Run Microsoft Update" button. Below this, a "Microsoft suggests" section promotes a "Windows Server 2012 R2 free trial" with the text "Experience the new and enhanced capabilities." and a "Free trial" button. On the left side of the page, there are expandable sections for "Details", "System Requirements", "Install Instructions", and "Additional Information".
