

The Kama Sutra is one of the oldest and most widely-known Hindu Sanskrit texts, written around 400 BC. With a reputation as a work of great beauty, its meaning ranges from spiritual to sensual. This ebook contains the complete text translated into Telugu by eminent scholar Sri Kanchi Paramacharyalu Shastri. The first edition was published in 1929. It has been revised and re-translated by Ravindra Kumar Yadava in 2015. The translation has attempted to be as close to the original text as possible, but new words have been used to ensure that the Telugu reader understands the meaning of the text. The book is divided into 12 chapters.

The ebook also contains two appendices. Appendix I contains references to Kama Sutra by other authors. Appendix II contains information regarding the Nitya Tantra (daily conduct/etiquettes), Naimittika Tantra (occasional conduct/etiquettes) and Vidhi Tantra (obligatory conduct/etiquettes). "People of Telugu origin, regardless of where they live, are proud that Telugu is one of the classical languages. For them it is an attempt to revive the traditional knowledge by bringing out this book on Kama Sutra in Telugu on the occasion of its 1000th year. It has been his (author's) humble effort to make people aware about Kama Sutra and make them aware about their own culture." - Sri Kanchi Paramacharyalu Shastri The new edition has been published by Samadhara Publishing Private Limited, Varanasi. The book is available in online bookstores like Flipkart, Infibeam, etc.
