21 Jan 2012 One of them was a college sophomore who hunted down his hero, the Librarian, with a \$5,000 reward on his head. It wasn't money he could afford to lose, but he still wished his dad hadn't taught him how to shoot. 4.0 Mar 2020 Summary. Heroes of the Feywild is a game that can be played in the first person using any source of character sheets. It is a dice based game, with the following goals: to provide a high fantasy role playing environment using the concepts and mechanics of Dungeons & Dragons 4th edition, while maintaining the retro feel and magic of older editions; to allow the player to make choices during character creation (i.e. race, class, skill options); to allow the player to define his or her character's personality and traits; to provide the tools for the player to pursue an individual game style and play system that are suited to the character concepts, play style and the needs of the group. It was conceived of and designed by Rodney Thompson, C. Pozas, and Steve Townshend for use with the Hero System Heroes of the Feywild - PDF. Full version, 100 pages, 9781849610800, PDF.
