You may create a folder on your harddrive that is at least that large. It is recommended that the folder be located on the primary C: Drive. Then open the setup file from your harddrive and click on install. You can then use your keyboard to select the path that you saved the installation file to. Then follow the on screen prompts. Hitman. Absolution Path is now set. Once installation is complete, you will be prompted to restart the PC. Enjoy! ENGLISH-CA.AVPIV.MOD I.P.U.(TheGood)IF YOU HAVE SENSELESS ADDITIONAL INTERFERENCE THEN YOU MUST PUT ON THE A.VPIV-SENSELESS.MOD YOU MUST USE A VERTICAL T.P.I. TO PUT ON. ENGLISH-CA.AVPIV-SENSELESS.MOD A.VPIV-SENSELESS (Change "YOU MUST USE A VERTICAL T.P.I. TO PUT ON" IF THERE IS MORE, I WILL INSTALL THEM) Text in this box is Copyrighted 2006 and may not be reproduced without my written permission. INSTALL NOTES If the original AVPIV Mod is installed, the modified A.VPIV must be installed before this one. The modified A.VPIV adds a few new skins in several places in the game and re-adds another weapon in "Eco Canyon". The modified A.VPIV also adds a very large amount of new sound effects and also a small amount of new game logic (See below) I hope that you will enjoy it as much as I do, It took me quite some time to make the sounds, so if you have any suggestions or suggestions or want to help improve it, please do so at your will. If you have any comments please do comment here Eco Canyon The New Firing Mechanism in this version is that it is no longer the top pistol that is the revolver. It is the bottom pistol. If you choose this one, there is a yellow tip on the front of the trigger. It is the new regular firing mechanism for the RP, the one that it looks like in Mafia. Custom Map Loaders This is one of my favourite new mods that has been made. It adds three custom map loaders to the game. The map name is added to the
