Feb 15, 2011 Driver download for Standard VGA Graphics Adapter windows 7 64 bit A: The unit driver is version 64-bit, therefore I downloaded and installed the 64-bit driver, but it still continues with the same error as in the original post. When I open Intel's Device Manager I see this: This installation is not supported because it is using a 64-bit Intel standard graphics adapter. To install this device, install the 'Intel Standard VGA Graphics Driver' for 64-bit operating systems. My test data was in this folder: C:\Program Files\Intel\WiFi\bin\{4DB1EE13-E7B9-41D4-B8B8-8B03B774461D}\Hardware\unified_wrapper\csrc\os\host_windows\uefi\video. Localization of growth hormone binding sites in the anuran amphibian *Xenopus laevis*: effect of pH and temperature on binding activity. Growth hormone (GH) binds specifically to a membrane-associated receptor in anuran amphibians. For localization of GH binding sites, the kidney medulla of the anuran amphibian *Xenopus laevis* was used. Using a system of binding saturation experiments, binding sites were found in the kidney medulla which could be separated into two groups. The first group of GH binding sites was found at pH 7.8 and the second group of GH binding sites was found at pH 7.0. In addition to the effect of pH, temperature had a significant effect on the binding of [125I]human GH (hGH) to the kidney membrane. Binding to the first group of GH binding sites was maximal at 5 degrees C, whereas the second
