## Move YouTube Subscriptions to Another Youtube Account

Dec 1, 2019 Now you can re-subscribe to all of your youtube channels with the simple click of a button! Or just simply import them to another channel. Instructions. Video . Restoring Subscribers to Youtube with YouTube to YouTube Subscription Connector. If you want to use the YouTube to YouTube Subscription Connector to backup your subscribers, you will be using the . Sep 8, 2018 You can keep the number of subs below the maximum. You will just have a non-responsive app. Jul 20, 2020 Subscriptions here don't have to be fully paid; you can just pay it for up to . May 27, 2017 Thanks for answering the questions :) I'll see if I can create a software (maybe in Java?) to automate the process. Will be happy to share as soon as I . May 16, 2019 It was actually all manual. You will have to go to your YouTube ad account, then use your YouTube Ad account to do a full backup and restore of your subscription. Then you can use this to restore to the newer YouTube Ad account. I have a video guide on how to do this here. Sep 23, 2019 You have to first of all reinstate the old subscription for a couple of days, but you can do this by creating a new subscription. You can do this without reinstalling your app on your phone. Go to the . Sep 30, 2019 YouTubeSubscriptions.moveSubscriptions(mhSubs1Channel,mhSubs2Channel,true) Now you can re-subscribe to all of your youtube channels with the simple click of a button! Or just simply import them to another channel. Sep 19, 2019 I noticed that I have 5,000 subscribers on my Youtube channel without paying anything. This is an odd number, you can tell that it is odd because of the part in the beginning where it says "this video only has". It's weird because it says this video only has 200,000 views when I think I have 200,000 views (for two years). I'll probably ask what's up with that. Sep 23, 2019 There is no way to do this. . You have to first of all reinstate the old subscription for a couple of days, but you can do this by creating a new
