2, December 2018â€” I'd like to make a movie that uses the best elements of S&S 2 and S&S 3. I'm currently in the planning stages of Swords and Sandals VI.##Swords and Sandals I: Gladiator; Swords and Sandals II: Emperor's Reign; Swords and sandals III: Gladiae Ultratus; Swords and sandals IV: tavern quests. I want to use what I have learned from these games. I want to make a film that has a lot of action and a lot of dialogue. I want to use many locations and many different situations. I want to make a movie that has a lot of characters and I want to have a good story from the very beginning. I want to make a film that has a lot of humor and I want the film to be made so that children can watch it with their parents.
