I thought he was the same person who tried to do the same to me a few months ago. I have long understood that I have not the slightest chance of getting away with it if I get caught. And so it happened. I noticed a long time ago that he was looking at me because my skin betrayed me. She was too pale. I've been in a lot of trouble lately, and I just couldn't help but notice that he's taking a special interest in me.
