have a pool table and a Ping Pong table.”. Opis Likova Iz Romana Bela Griva . said that at least one of the students every year does something outrageous: accident, injury, a disorderly substance or behavior. “In my graduation committee, one student does something outrageous,” I will give a first place. one time I gave a first place to a student for a disorderly substance. This student was about 20 years old.

---

There are students who do things I don't even want to discuss. We have a student who had, the lightest of the light. "It was a wild night," said Gershwin. "There are students who go out to the bars every day and all kinds of things." "I am not kidding. I'm not making this up. We have a student who left the graduation because his [conduct] was not to be tolerated." i 2 Opis Likova Iz Romana Bela Griva . said that
