
Penguins Arena: Sedna's World Serial Number

Larva Mortus, Penguins Arena: Sedna's World, RIP - Trilogy, Space Trader: . We've had a few hits since then and have grown to a full-time 3-member team. We also released a lot of indie games and met a lot of great people that way. That was incredible. It was cool? Do not know. It was just amazing... I was really happy that we did a lot of things. I was happy that we created such a small studio. At that time we worked very hard. We made small games. We've been making small games for a small team, and some of them were good, some were just terrible.
