Nov 30, 2019 Actress Padmapriya Unni is reportedly dating Mumbai-based theatre director Ranjith. The couple has been together for three years, and they started meeting at Ranjith's residence. Previously, the actress was dating actor Mohanlal for three years, before their. I was introduced to this technique by a safecracker friend of mine. He and I travelled a lot on our journeys, and also had a lot of contact through forums and social media networks like Facebook and Steemit. It was also during these interactions that I studied a lot of material on the subject, and I learned a lot about the history of cracking techniques and safecracking. As I was learning a lot of safecracking techniques, techniques that we use nowadays, and things like safecracking history, it made me think: "What if someone wanted to crack their door, or their safe, or their car, and there was an anti-crack technique we didn't know about." This is what inspired me to write this article. Cracking anti-crack techniques Safer and lock pickers are always looking for ways to solve lock picking challenges. I mean no offence to any safecracker that I'm comparing myself to because that's not the case at all. I don't want to become a safecracker because I'm a tinkerer like I've often heard them called, or I want to learn more or just enjoy solving puzzles. What I have learned about safecracking from my self-taught journey, is that there are safecracking techniques that no one tells you about. This is why I think people are always experimenting, looking for more knowledge, and looking for ways to improve themselves. I've discovered that there are anti-crack techniques that can reduce the time it takes to crack a lock. I am by no means an expert in the field, just someone that tries his best to learn as much as I can, and also to share what I learn. One of the most common anti-crack technique is a magnetic lock pick that is similar to a magnetic key. I found a blog post on the use of a MagLock from the company Lockaid (you can read it here). I've also used this anti-crack technique myself (you can watch 82138339de
