Versi sebelumnya. Heroes of War is a role-playing game set in World War II. In the game, you play on the side of Germany (the Soviet Union, the USA, etc. are not playable). The game tells about the war on 2 fronts (Germany with allies and the USSR with allies), there are also military companies for each side. The game is also different in that in the game you can play for any of the 3 sides with your units.
