Download Inazuma Eleven Pc Game Extra Quality Free Full Version

Download New Inazuma Eleven Game for PC. Inazuma Eleven is a football game from Level5 published by Nintendo, It was a sequel to the Inazuma Eleven series. It was released in Japan on 24th October, 2010, in North America on 10th November, 2010, and Europe on 11th November, 2010. The English version was released worldwide on 13th January, 2011 and for the Wii Virtual Console in both North America and Europe on 1st April, 2012. Inazuma Eleven is the first part of a trilogy and is the follow up to Inazuma Eleven 2 and Inazuma Eleven 3: Two Worlds. Story The first installment of the Inazuma Eleven series is set in the Inazuma Islands. Players assume the role of the soccer clubs' players, managing their team's future. Gameplay in Inazuma Eleven involves beating the opposing soccer team in a "vital goal" competition, which is the ultimate goal of the entire series. Inazuma Eleven is a PS2-exclusive game. Gameplay The gameplay of Inazuma Eleven focuses on soccer matches that take place within the context of the story. The gameplay is similar to the Super Smash Bros. series in the way that the game is controlled with a "square" button. Players can use tools such as items and soccer balls to create various match strategies. Customisation One of the most notable features of Inazuma Eleven 1 Game player models that let each player models that let each player nodes their own hair styles and shoes. Players can also choose the color of their outfits. The customization function can be accessed through the menu screen. Download inazuma Eleven 1 Game Information Inazuma Eleven 1 Game system called Inazuma Eleven 1 Game system with which soccer fams would probably not be familiar with and might find confusing, but this works in the game's favour because there is a lot of function. Of course, this can also be seen from the lack of off-the-shelf games for this gaming system. The game is exciting
