Track listing Chart performance Release history References Category:Hardwell songs Category:2014 songs Category:2014 singles Category:Songs written by Kele St. DeusQ: Create a batch file that deletes files? I was wondering if anybody knew the best way to write a batch file that was to delete all files in a directory, and does this when I hit the Start button in Windows 7. A: OK, it looks like you want the recursive delete, so here is a batch file: @echo off echo( echo Deleting files that are over 100Mb if
