FIFA is the world's greatest football game, and EA SPORTS FIFA is the most authentic football experience on any platform. Subscribe today for all your official FIFA news and announcements. We know that FIFA is more than a great football game - it's a way of life. Every year, the game evolves to become more and more reflective of the real thing, with features that provide an unprecedented level of authenticity. For FIFA 20, the game included a brand new FIFA Moments Showcase (FMS) Mode that brings extra content to the pitch, including Goal of the Season, FIFPro Player of the Month and the FIFA 20 Ultimate Team (FUT) card. Now for FIFA 21, the focus is on the game's core gameplay, with a host of all-new features that brings the game even closer to the real thing. The FIFA community is the heart of the game, and EA has seen the value of sharing the game's content with more and more players worldwide. We know how passionate some fans are, and that's why we've brought together all FIFA game content available for free in one place, including enhanced video content, video tutorials, blogs, stats, team news and much more. For the first time, you'll have free access to all of this content, which is in addition to the new features already announced for FIFA 21. The content we create is a way for us to connect with and learn from you. And we believe that makes us all better footballers and video game designers. This year, we're really focused on bringing the beautiful game to more places in more ways than ever before. New features such as Facebook live, Twitch streaming, Player App, Player Career and new leagues and cups have been built directly from feedback from the community. We've also worked closely with the community to develop the ultimate in-game services and new features, including FIFA Ultimate Team, FIFA 20 Ultimate Team Deluxe and FIFA A.I. Plus you can now play as a player in your custom UEFA Champions League squad. All of this comes together to deliver an experience that feels exactly like being there, as if you were playing at a real football pitch. We've been listening and working to deliver the best experience for fans worldwide, and our efforts to connect, learn and improve continue into FIFA 22. In the lead up to the
