Mysteries and Secrets Of Mde Era The origin of the word "Mde" itself has been a mystery for a long time. It was not made official by the Malay rulers, and until today, it was considered a curse that indicated a place of ill omen and where all good things or nice things do not exist. Only the "Mde Era" or "Mde Era " is considered as a very special place where all the mysteries are taking place. Speaking about the mysteries, it is in Mde Era that all the secrets and mysteries are revealed. There are so many secret places which are also considered as the source of the mysteries, like [21] all of their secrets are very vivid and come from the language the ordinary people of Malaysia do not know well. Mde Era, the Mystery of Malaysia Mde Era or Mde Era is believed as a place of misfortune, a place where all the mysteries are taking place. Mde Era also known as the forbidden zone, is a place which is existing in Malaysia that is often disguised as the outskirts of Kuala Lumpur, near Bukit Tunku. But actually it is a place that is considered as a place of incredible structures, dating back to the prehistoric era and ancient civilizations in Malaysia, where all the mysteries of Malaysia are hidden. Mde Era is a place which contains mystery structures that are covered by dense trees and tall jungle. One can only find the mystery of Mde Era if we really want to see, or want to explore the mysteries of Malaysia. There are many mysteries that are hidden in Mde Era, like the mystery of the super structure known as [22] "Al-Sultan Abdul Aziz Ibrahim Building". In 'Mde Era' is still a mystery that is hidden around the place. There are mysterious statues and ruins. Also, we can find the elephants and rhinoceros in an old, abandoned zoo which is covered by the jungle. There are also many paths that are used to be a way to reach the most important place of Mde Era. There are many secrets that are hidden in Mde Era which is unknown to most of the people. The strange conversation between the Malays in the most magnificent language is one of the mysteries that took place in Mde Era. The language spoken in Mde Era is the language of the Malays called Thaana. Thaana is
